ad notam® is the only Mirror TV manufacturer which owns its LCD and Glass manufacturing facilities. One of the most featured products manufactured in our facilities, located in the south of Germany, is the patent-protected MAGIC MIRROR® technology. With MAGIC MIRROR® as part of your BEDROOM TV™, **ad notam**® delivers the highest standard of picture quality when turned on, while when turned off, the screen area completely disappears behind the MAGIC MIRROR®, leaving your bedroom with nothing but an elegant mirror fixture.
